

A Wellness Guide For The Digital Age

With Safer-Tech Solutions For All Things Wired & Wireless

for brains worth saving

Not sleeping well? Unexplained dizzy spells, cardiac symptoms, headaches, ringing in the ears, skin rashes or bloodshot eyes?

Concerned about cell phone radiation and your loved ones - born and unborn, and the disconnect affecting this tech-obsessed, nature-deprived generation?

Interested in staying connected *and* healthy, and in digital detox to reconnect with each other and with the natural world?

This award-winning book offers an easy and affordable plan: www.SaferTechSolutions.org

Leading international experts offer you:

- Research and recommendations
- Reducing related risks and symptoms
- Latest on Wi-Fi concerns in schools, cars and aircraft, Smart Meters and cell towers
- Safer use of mobile phones (cell and cordless), PDAs, tablets, headsets, laptops, video gaming, baby monitors, hybrid cars and X-rays
- Strategies for aging well in this digital age.

This wireless microwave radiation penetrates and harms the brain even at 'low' gov't-sanctioned levels. The World Health Organization categorized it 2B 'possibly carcinogenic', in with lead and DDT.

It's essential to use electronics more safely.

There are cardiac and cancer risks – this is the greatest medical threat of our time.

I highly recommend Dr Crofton's ground-breaking book. It is well-researched and informative. – cardiologist Stephen Sinatra, MD
